and Environment
Forbes Field
Topeka, Kansas 66620

Dear Mr. Knoche:

On February 24, 1989, I transmitted to you a copy of the preliminary draft work plan for the remedial investigation and feasibility study of the Baxter Springs subsite of the Cherokee County site. I would appreciate receiving your comments on the document by March 14, 1989. Since it is a draft document, I need the work plan to be returned to me with your comments.

Sincerely yours,

Alice C. Fuerst
